25X1   **6.** Jim Hyde, Bureau of the Budget, telephoned in connection with the amendments to the Internal Security Act proposed by HCUA with respect to tightening the security procedures in NSA. In particular he was interested in the termination authority which was patterned after the CIA law. I gave him some information on the reasons we had found the statute necessary and extremely helpful. He is to talk further with Walt Yeagley in Justice.

25X1   **7.** Security, called and asked whether our copy of SNIE 11-14-61 had been sent out of the Agency. If so to whom it had been sent, the date of its transmission and the date
25X1   of its return if it had been returned. I advised that our copy of this SNIE had not been sent out of the Agency.
